

# TAYLOR STEELE

(941)-724-0046 | taylor.f.steele@gmail.com | linkedin.com/in/taylorfsteele | tsteele.dev

## SUMMARY

---

Web and Mobile developer, enthusiastic learner, and problem solver. Skilled in organizing teams across disciplines to engineer user-first solutions with a focus on efficiency and client satisfaction. Background in application development, team collaboration, and—formerly—parking cars.

## TECHNICAL SKILLS

---

- Front-End Technologies: React, React Native, Redux, JavaScript, TypeScript
- Back-End Technologies: Node.js, Express.js, Python, REST APIs
- Databases & ORM: PostgreSQL, MongoDB, Redis, Google Cloud Firebase
- Versioning & Development: Git, Mozilla Firebug, Chrome developer tools, ESLint

## PROJECT EXPERIENCE

---

### **Walk Route Tracker** – React Native Mobile Application

- Record a talk or hike & see a live track of where you have been. Save a route to your account to see all your previously saved routes. Utilizes latest React Navigation 5.0 for performant navigation.
- Uses Redux and React hooks for context store and providers throughout the application.
- REST-ful Express.js backend running in Node.js, encrypts & salts login information, sends and receives data from MongoDB Cloud database.

### **React Native Twitter Clone** – React Native Mobile Application

- Rebuilt Twitter's mobile client from scratch using React Native & React Navigation 5.0.
- Uses TypeScript to strongly type navigation routes, theming components, & component data.
- Features Firebase serverless Cloud Functions Social OAuth, CRUD operations, and data validation.

## WORK EXPERIENCE

---

### **Wiley Education Services - Omni Channel Specialist** Orlando, FL | Feb 2019 – Oct 2019

- Facilitated student enrollment and guided potential students through their educational selection process through omni-channel platforms.
- Coordinated team to develop databases that supported Salesforce Live Chat operations.

### **Towne Park - Associate Account Manager** Orlando, FL | Jul 2017 – Feb 2019

- Managed operations for valet, parking, and bell services at the DoubleTree Universal, 750 room 4-star hotel.
- Hired, trained, and supervised team of 30 valet attendants with focus on high levels of professional appearance, demeanor, and service for guests.

### **Towne Park - Guest Service Coordinator** Orlando, FL | Feb 2016 – Jul 2017

- Supervised valet and bell services shift to ensure service standards were met or exceeded

## EDUCATION
